

INVESTMENT PROFILE

Westa Real Estate is a group of international private investors from Berlin and Moscow. For over two decades, due to our successful work we have gained a reputation as professional investors in the Real estate market.

We actively pursue the acquisition of attractive commercial assets with value-add potential and reliable long-term returns. At Westa Real Estate, we are constantly expanding our investment portfolio focusing on the following criteria:

INVESTMENT VOLUME: 5 to 50 million euros

SECTORS:

- Retail and retail parks
- Multifamily assets and residential complexes
- Office properties
- Professional warehouses with renowned companies and logistics firms as anchor tenants

We acquire the assets throughout Germany, however mainly in medium-sized and small cities.

We are ready to purchase assets with high-risk rating (bankrupt or collateral properties) as well.

The owner capital of West Real Estate is constantly available for our businesses purposes, which allows us to complete our transactions fairly and quickly.
